Mrs Lisa Seal (McAllister)

"I would highly recommend shoosh weddings' great communication, helped with choices and knew what worked well. My day was great and had everyone dancing and enjoying themselves. I got some great pictures."

Mrs Sarah Phillips

"If he doesn't win this award it's a fix, I have been to a few weddings over the last few years and not being biased but he was far better and knew how to get people up and dancing."

Mrs Charlisse Dent

"Cannot recommend this guy enough , he was so approachable and friendly and understood exactly what we wanted for our reception. He set up his area really discreetly and also honoured the special requests I asked for before our first dance. Would give 12/10 if I could for all questions !!"

Mrs Rose Aylott (Lewis)

"I wish I could score Dan more than 10/10! From the first moment I sent him my first enquiry message until the last song was played on our wedding day he was absolutely fantastic and even after the wedding! He's so genuine and enthusiastic. He was extremely flexible and was open to our specific playlist and gave extra recommendations. The music and lighting was perfect on the day and he had everybody up dancing and enjoying themselves. He made our evening perfect!"

Mrs Lindsey Rowe (Glennie)

"Dan did an amazing job at our wedding, We were dancing all night long. He played phone me a week or so before the wedding to confirm everything and find out what we love to dance to. He also interacted with us and our friends at the wedding"

Mrs Emma Hattpm

"Best Wedding DJ ever! Dan was absolutely brilliant! Everyone at my wedding loved his music!"

Mrs Selina Black (Nollen)

"Nothing at all was too much trouble for Dan. He knew exactly what worked and asked for our input too. He made our son included, ie telling guests first song after first dance was his choice etc. Just thinking of our evening makes me want to throw a party and ask Dan to DJ again!!"

"Dan is a brilliant DJ. He made our wedding reception a lot of fun and catered to everyone's tastes. Dan even arranged a surprise for the groom with the grooms sister - she dressed up with friends as Star Wars characters and Dan played the tracks to go with it. My favourite memories are hearing my school friends having the time of their lives singing along to Dan's choices, and getting the whole wedding party doing the conga and the zorba!"

Mrs Victoria Pickering (Parry)

"Dan was Awesome from start to finish. Before we booked, he came and met us at the venue, explained where he would set up. He showed us different DJ set-up options, helped with our music choice. I emailed him a short list of songs which we wanted included for the night and from there he came up with a brilliant set for our night. Dan read our party brilliantly, we had a whole host of age groups and he catered for everyone. Lots of our guest commented on how good he was on the night."

Mrs Lyndsey Jones

"We cannot fault the service offered and delivered. Dan was engaging, informative, fun, passionate about his work and made the process from initial enquiry to the wedding evening, stress-free. Dan was clearly very experienced and knew what songs would get people moving. Our dance floor was packed up until the lights went on. The evening was so much fun, we did the conga around the hotel and got on the floor for the upside song! Highly recommend Dan and strongly support his quest for best DJ."

Mrs Charlie McCraith (Hooker-Meehan)

"Dan was the perfect choice for us - we knew immediately on meeting him that we wanted him to DJ our at wedding. We trusted him to make the disco about us, and not him playing what music he wanted in a certain order (which we found with a lot of Djs). The sound and lighting complimented the venue, and everyone loved the music. Great touch at the end replaying our wedding song as the 'last song'. Highly recommended."

Mrs Claire Dixon

"Dan was an absolute god send on my wedding day. I trusted him 100 he arranged my lighting (which looked stunning) as well as music choices. All I told him was the first dance song and to cater for all ages which he most certainly did. The only thing I didn't stress about was my dj. Highlight of my night playing the first dance song as the last dance. This was such a good idea and everyone got involved perfect end to a perfect day!"

Mrs Laura Somers

"We could not have wished for a better wedding DJ. I would recommend Dan to anyone."

uplighting matched perfectly with the the rest of our venue, as well as his ice white DJ booth. The music was spot on and not once was there an empty dance floor. To top it all off Dan even had a gift for us at the end. A top class DJ"

Mr David Turney

"Dan was very helpful meeting us at the venue and talking through our plans. Due to other decorations we had hired he was helpful in making us ensure the lighting was not over the top"
